25X1A6a Several of the Security men recently selected for overseas assignment 1961 have been given short briefings as to the nature of the area where they will be working, duties, etc.

This Staff has continued working closely with the WE Support Staff on the proposed movement of the WE Security Officer from [redacted] to [redacted] in June 1961. Indications are that this change can be made without difficulty. We have been advised by the WE Support Staff that they are taking the necessary administrative action to effect this change.
